Capitalised Education: An immanent materialist account of Kate Middleton David R. Cole

Capitalised Education is not a biography of Kate Middleton, but, rather, understands her wedding on April 29th 2011 as a 'plateau', wherein a complex knot of social, political and economic forces collided. The chapters of the book make up a non-linear history of the royal wedding, a history that is underpinned by the ways in which power has been handled by the British royal family through time.
