Kevin Henkes's acclaimed national bestseller about a kitten, the moon, and a bowl of milk was awarded the Caldecott Medal and was a *New York Times* Best Illustrated Book. This sturdy board book edition is perfect for little hands!

Kitten's First Full Moon is an acclaimed modern classic, from one of the most celebrated and beloved picture book creators working in the field today. This memorable character and her suspenseful adventure are just right for the very youngest child. It is Kitten's first full moon, and when she sees it she thinks it is a bowl of milk in the sky. And she wants it. Does she get it? Well, no . . . and yes. What a night!

A concise story, large type, and luminescent pictures play second fiddle to the true star of this book: a brave young kitten who sets out into the world on a quest that leaves her bruised, bewildered, and hungry, but that ultimately leads her back home, where something special is waiting just for her. This perfectly sized board book edition introduces Kitten to a new generation of the youngest readers. Winner of the Caldecott Medal, an ALA Notable Book, a *New York Times* Best Illustrated Book, and winner of the Charlotte Zolotow Award
