When her life is threatened by mysterious events only she can see, Princess Fen has more to worry about than finding a husband. Too bad her parents don't feel the same way. Desperate to keep her from leaving the planet like her sister, they decide to play matchmaker, inviting wealthy, noble suitors to the palace.

But it's not a rich suitor that catches her eye, it's the commoner, Aaron Piers--a man who's past is clouded with dishonor, a man without family, a man she could never consider marrying. Though her desire for him burns hot, their relationship can never be. Besides, he might just be the one trying to kill her.
