Initiate yourself into one of the most enriching and powerful systems of magick anywhere. *The Angels' Message to Humanity* presents a radical, new system of 88 graded paths based on mandalas created from the five Enochian tablets. Incorporating ritual magick, creative visualization, yoga, and mantras, nothing apart from this book is needed for these initiations.

The revised pathworking rituals in *The Angels' Message to Humanity* allow a magician to fully explore the Enochian system of magick, alone or with others. Explore alternative methods of skrying and ritually working with the Watchtowers. Build the Enochian Cube as a powerful, three-dimensional model of the magickal universe through advanced pathworking rituals.

Geared to the intermediate or advanced magickal student, this book is divided into easy-to-read text and endnotes containing helpful references and technical information, as well as 121 illustrations and 8 color plates.
