Success in math includes mastery of geometry skills and requires children to make connections between the real world and geometry concepts in order to solve problems. Successful problem solvers will be ready for the challenges of mathematics as they advance to more complex topics. The activities in this workbook are designed to help your children catch up, keep up, and get ahead. Best of all, they'll have lots of fun doing it! Some of the great features you'll find inside are:

Hidden Word

After writing the names of shapes, students unscramble circled letters to solve a riddle.

Puzzling Patterns

To practice patterns, a large grid pattern has missing pieces, and students must match sets of shapes to the place where they belong.

Shape Up

Students determine the number of vertices, edges, and faces of common objects such as boxes, buildings, and more.

Picture Perfect

To reinforce symmetry, students draw the missing half of different items, such as letters, shapes, and faces,

Plus!

Game Pieces

The workbook includes pentomino and tangram pieces for students to cut out and use with games, make patterns, and solve tangram puzzles.

Give your child's confidence in math a boost with *3rd Grade Geometry Success*.
