## **A Treatise of Human Nature: Special Student and Teacher Edition** David Hume

Enjoy this classic piece of literature with an appreciation fostered by greater understanding and insight! Original additions may include notes, lessons, and activities designed to foster understanding at key points in the story and at critical chapters. As an educator, I believe that older works of literature must be introduced into new generations. This belief has guided my editing of the original source material. This special edition contains edits specifically aimed at assisting readers in understanding the classic text, preparing students for examinations, or providing lesson plans for teachers. This book is ideal for readers in high school, college, or otherwise seeking an easier understanding of a classic text.
