Emissary of Light: My Adventures With the Secret Peacemakers James F. Twyman

In a land ravaged by nearly incomprehensible hatreds, a man came with a backpack and a guitar. His goal was to sing a peace concert in Bosnia. What he would find was an extraordinary secret waiting to be revealed. James Twyman, a traveling troubadour, would risk his life to sing prayers of peace. But with the violence of Bosnia raging all around him, he made a journey to a secluded mountainous area. There he met a mystical community known as the Emissaries of Light, a secret society said to have existed for thousands of years, dedicated to the eternal flame of peace and the banishment of fear and mistrust from the world. The first outsider invited to observe the Emissaries' extraordinary meditations and their powerful effects, Twyman is plunged into an experience of revelation that changes him forever and inspires him to share this new vision for the world. As the Emissaries teach him their lessons, the simple man with the guitar learns an important truth: Despite war, cruelty, loneliness, and fear, peace is not just a dream, it is a powerful reality that already exists within all our souls. Peace is, in fact, our destiny.
