Film Firsts: The 25 Movies That Created Contemporary American Cinema Ethan Alter

This forward-looking exploration of contemporary American film across the last 40 years identifies and examines the specific movies that changed the film industry and shaped its present and future.

- Takes stock of the 2000s and explains how this period built on what came before and predicts how American cinema will continue to evolve in the next decade
- Provides up-to-the-minute, contemporary treatment of contemporary cinema that will appeal to and resonate with young readers and film buffs in particular
- Presents a historical perspective on 40 years of American film within the framework of a list of 25 essential movies to effectively capture readers' attention and expand their cinematic horizons beyond the latest Hollywood blockbuster production
- Utilizes a film-by-film approach that also allows for the inclusion of appendices that focus upon ideas, subjects, and people in modern film, such as comic books, key actors and actresses, and video games
