Teaching the TEAM Concept in Sports: 101 Ideas and Concepts to Teach and Promote the TEAM Concept While Building a Program Kevin Sivils

Regardless of the sport, when it comes to team sports, there is nothing more important than building a united team. If the team concept is the most important principle when it comes to success in team sports, why is it the most difficult principle to teach players? Coach Kevin Sivils has spent nearly 30 years focusing on the challenge of developing the team concept in athletics. With the team concept always a priority, his teams are noted for their team attitude, playing hard and being fundamentally sound. An 8 time Coach of the Year and winner of awards for excellence in teaching including Teacher of the Year, Coach Sivils shares 101 ideas on how to instill the team concept, promote the idea of the team concept and build a fun environment for fans and players alike while building a successful program.
