The Bitter Road to Dachau Robert Wise

Christian Reger's quiet, storybook world collapsed in the frenzy of 1939 prewar Germany. Joining the Confessing Church to protest Adolf Hitler and Nazism, the fury of the Reich was unleashed. Ending up in the Dachau concentration camp where 10 percent of the prisoners were men of the cloth, Reger struggled to survive. Crammed into the Pastor's Barracks with other ministers, the clergyman came face to face with man's inhumanity to man. His struggle to endure asked tough questions about God, suffering, and life itself.

From reader reviews:

Christopher Olsen:

Information is provisions for anyone to get better life, information presently can get by anyone with everywhere. The information can be a information or any news even a huge concern. What people must be consider any time those information which is from the former life are challenging to be find than now is taking seriously which one works to believe or which one the actual resource are convinced. If you find the unstable resource then you buy it as your main information there will be huge disadvantage for you. All of those possibilities will not happen throughout you if you take The Bitter Road to Dachau as the daily resource information.

Melanie Moore:
