A-10 Thunderbolt II: 21st Century Warthog is a 'right-now' look at the A-10A+/C as it is being put to the test by continuous combat operations. The author, Neil Dunridge, traveled the world to document each of the squadrons that fly the A-10, telling the story of the people and machines that are doing great work on the Global War on Terror and beyond. This book captures the Hog in its environment, be it at home in the United States during peacetime or in Afghanistan flying combat missions. Photos include air-air, combat ops, weapons, and much, much more. Its 180 pages take the reader inside the squadron and cockpit, relaying what it is like to work around this awesome machine.
