Calypso is a young Nukunu man, fresh out of high school in Rastafarian guise. He finds work at the Henley Beach Health Food shop where his boss pressures him to gather Aboriginal plants for natural remedies. Growing up in urban Adelaide and with little understanding of his mother's traditional background, Calypso endeavors to find the appropriate native plants. The support of a sassy, smart, young Ngadjuri girl helps Calypso to reconsider his Rastafarian façade and understand how to take charge of his future.
