Chomp! Zoo: A Pull-tab Book Heather Brown

Chomp! Zoo puts kids in the driver's seat as they pull a tab to activate a working mouth, making their favorite zoo animals munch, bark, and chomp!

With a pull tab-activated working mouth, *Chomp! Zoo* is one board book that's anything but ordinary. Each die-cut page reveals a favorite zoo animal that kids can make munch, bark, and of course chomp with the pull of a single tab.

Putting little readers in control of the jaws will make this a book they'll come back to again and again. A bold color palette and beautifully detailed illustrations round out a package we think is a roaring good time.
