Digestive Diseases And Disorders Sourcebook: Basic Consumer Health Information... (Health Reference Series) Karen Bellenir

An estimated 62 million Americans are diagnosed with digestive disorders every year. Some digestive diseases are sudden and self-limiting; others can be chronic, debilitating, and even life-threatening. Digestive Diseases and Disorders Sourcebook provides basic information for the layperson about common disorders of the upper and lower digestive tract. It also includes information about medications and recommendations for maintaining a healthy digestive tract. A glossary of important terms and a directory of digestive diseases organizations are also provided.
