Supernatural Born Killers (A Pepper Martin Mystery) Casey Daniels

Former cemetery tour guide and reluctant medium Pepper Martin is thrilled when she gets her job back—with a promotion. But her new position is turning out to be more than she can handle, especially with the dead clamoring for her attention...

As Garden View Cemetery's new community relations manager, Pepper is feeling overwhelmed with planning the annual party to attract new sponsors. Luckily, some of the cemetery's permanent residents have volunteered to give Pepper a ghostly hand, and she's not about to turn away the help. But when a murdered ghost starts leaving puddles everywhere, Pepper quickly finds her newly acquired free time occupied.

The dead man is her ex-boyfriend Quinn's former partner Jack Haggarty—and he isn't going away until Pepper figures out the real reason behind his murder. And while Quinn recently had a brush with the afterlife, he still isn't ready to accept Pepper's abilities—or offer his skills as a detective. Now, Pepper has to convince Quinn she's the real deal and investigate Jack's death—before someone else meets their end in a watery grave...
