The Coasts of Devon and Lundy Island: Their Towns, Villages, Scenery, Antiquities and Legends (Classic Reprint) John Lloyd Warden Page

Excerpt from The Coasts of Devon and Lundy Island: Their Towns, Villages, Scenery, Antiquities and Legends

It is not a guide book. The reader will not find a list of the most desirable hotels; there are no statistics about population; and he must seek elsewhere for information anent the arrival and departure of the mail. This work pretends to none of these things. It is only a guide book in that it is an account of scenes and places along the Devonshire seaboard, the result of a walk, or rather of a series of walks, over the cliffs of the fairest county in the west.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
