The surviving members of West Pacific Supers, along with some new recruits, are gearing up for another exciting Season. This year they'll be fighting for the hearts and minds of West Pacific as an upstart charter team challenges our heroes to become the official superhero team of the city. Behind the scenes, the real battle rages between Nike, the newly restored goddess of victory, and her nemesis, the immortal witch Circe. Ultimately, the efforts of an apprentice wizard and the new White Knight power armor pilot may be the deciding factors in a no-holds-barred contest in which each side is looking for victory at any cost.

Victory at Any Cost, the second novel in the West Pacific Supers series, continues the action, wit, and drama of Rising Tide.
