## **In Wonderland** Knut Hamsun

First published one hundred years ago, and now translated into English for the first time by noted Norwegian scholar Sverre Lyngstad, *In Wonderland* is a diaristic account of a trip Hamsun took to Russia at the turn of the century. This detailed travelogue is a rich and loving portrait of the people and culture of Russia, and is filled with the trademark style and keen observations of the author of such classics as *Hunger*, *Mysteries*, and *Growth of the Soil*.

*In Wonderland* is unlike any other book written by Hamsun, and offers not only an intimate glimpse into the mind of the Nobel Prize winning author at his unguarded best, but a rare view into a Russia that would soon vanish in the fire of revolution.
