With the fate of New York City hanging in the balance, Robyn takes a final stand against the Cabal. Everything we thought we knew about Robyn, her friends, and her enemies will be called into question as the hooded archer discovers the truth about the prophecy that has been plaguing her for years.

Join Robyn Hood and her friends one last time for the final volume of the Robyn Hood ongoing series, featuring the end of longtime writer Pat Shand's run, as well as the return of longtime artist Larry Watts for a special epilogue to Robyn Hood's story.
