What goes on behind closed doors doesn't always stay there...

Calamity (Callie) Barnstable isn't surprised to learn she's the sole beneficiary of her late father's estate, though she is shocked to discover she has inherited a house in the town of Marketville—a house she didn't know existed. However, there are conditions attached to Callie's inheritance: she must move to Marketville, live in the house, and solve her mother's murder.

Callie's not keen on dredging up a thirty-year-old mystery, but if she doesn't do it, there's a scheming psychic named Misty Rivers who is more than happy to expose the Barnstable family secrets. Determined to thwart Misty and fulfill her father's wishes, Callie accepts the challenge. But is she ready to face the skeletons hidden in the attic?
