## Woman & Dog: A Celebration of Their Unique Bond

Women and dogs have a unique relationship in the history of memoir and illustration. Time after time we have run across lovely, touching and true representations of this interplay. Is it simply the contrast of a dog's gruff appearance to a woman's softer one that appeals to the artist, or something more profound? We feel the latter, but no matter; it is a wonderful subject to enjoy and reflect on. Woman and Dog will make a perfect gift for the woman in your life, who loves her dog; it will remind her that the love between them is part of a noble tradition.
