## **A Tribute To The Sadr Martyrs** Yasin T. al-Jibouri

This book contains information which may be available for the first time in English. It discusses three prominent individuals who were executed by the dictatorial government of Saddam Hussein due to their dissent and despite their prominent status as scholars, theologians, thinkers and philosophers who deserve a prominent place in the annals of history. The world is yet to grant them the recognition they deserve, and this book is a humble attempt to introduce them to the conscience of the world. The most prominent among them is Muhammed-Baqir al-Sadr who is famous worldwide for two of his scholarly works: Iqtisaduna (Our Economics) and Falsafatuna (Our Philosophy). He invented a theory about an interest-free banking system which has been hailed as a rebuttal to the capitalist, socialist and Marxist theories of how the financial system of a nation ought to be. His sister, known as "Bint al-Huda," was a storywriter, social organizer and poetess who used her pen to fight the immoralities of the regime of the "Butcher of Baghdad". Muhammed Muhammed-Sadiq al-Sadr is the most senior of the three, yet this did not prevent the regime from executing him due to the large following he had, his popularity and outspoken criticism of the oppressive policies of the regime, a man who will always be remembered for his scholarship, dynamic personality and courage.
