**Cute Grit** Chin Music Press Inc.

"A sumptuous, beautiful collection of cyborgs, sushi, and monsters—this book is a feast for the eyes and a phosphorescent display of creativity. Other than watching an octopus make love to a rainbow, I can't think of anything I'd rather stare at than this book." – Matthew Inman, creator of The Oatmeal

It's adorable, explosive and has more chibis than an Akibahara game store.

Welcome to the whimsical world of Cute Grit, the digitally rendered pop art debut by video game developer and artist Enfu. Comprised of over 1,000 illustrations, this fantastical collection explores the intersections between video games, art and the Asian American experience through the lens of Enfu's wild, east-meets-west style. Re-discover your favorite game villains, cartoon characters, icons and cityscapes in a digital universe where Enfu unites the loveable, the warped, and the fantastic in a world both foreign and familiar, sweet and surly, gritty and cute.

Ken "Enfu" Taya enjoys his day job in the video game industry as a developer for titles such as Halo 3 (XBO 360) and Scribblenauts Unmasked (WiiU, PC, 3DS). His commissioned illustrations and murals can be seen in stores and restaurants across the Pacific Northwest, and his popular bilingual comic, I Fart Rainbow, enjoys success in print and digital media outlets. Other Enfu collaborative projects include Enfu Snaps hats, Bombsheller leggings, and customized t-shirts. His first indie game, Matchfu, is set to release in late 2014. Ken Taya lives in Bellevue, Washington, with his wife and daughter.
