Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

As a pupil exactly feel bored to help reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just tiny students that has reading's heart and soul or real their pastime. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that reading is not important, boring as well as can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country.
