Sometimes you have an itch and you just have to get it scratched, probed, played with, and stimulated and there is only one thing that will provide it to you.

A pretty young white woman thought her future was laid out for her when she fell in love with another student in college who happened to be of African American descent. At night, she made love with him but the excitement of interracial and the contrasting colors seen in the light of day gave her an entirely different and especially erotic perspective. Unfortunately, the her young African American student is killed in a tragic accident.

Years later, and truly happy with a man of her own race, the woman feels that need that was lost when her black lover was taken from her. She goes to great lengths for just once more to scratch her itch; she decides, "I'm in serious need!"

Content Warning: This story is intended for mature readers who will not be offended by graphic depictions of sex acts between consenting adults.

This story contains very explicit descriptions of sexual activity between an African American man and a white woman. It includes interracial sex, oral sex, cuckolding, exhibitionism, semen swallowing, and other practices.
