Help students in pre-kindergarten–5 work out their wiggles using "Pay Attention, Please!" This 64-page book helps students with ADHD and students who are otherwise wiggly and overly busy learn how to pay better attention and focus for longer periods of time. It includes games and activities that strengthen listening, concentration, visual, and auditory memory skills; assist students in learning relaxation techniques; provide students healthy ways to burn excess energy; and help students discover ways to control over stimulation and impulsivity. Key Education products are intended to engage and educate young and special learners, as well as assist teachers in building a strong and developmentally appropriate curriculum for these children. The product line—comprised of teacher/parent resource books, photographic learning cards, and other activity- and game-oriented materials—is designed to assist in “Unlocking the Potential in Every Child.”
