Taught How to Love by Wolves: Healing from improper relationships and regaining your identity (Volume 1) Crystal Jackson

IT'S TIME TO HEAL AND REGAIN IDENTITY. GAIN THE KNOWLEDGE TO RECOVER YOUR LOVED ONE OR YOURSELF FROM AMONGST THE WOLVES. In this book, "the wolves" is a reference to the ways of the wolves, the manner that they seek out their prey and how they wait for the right time to expose their real intent and true desire. Wolves are sly and very intelligent in gaining what they want; they study their prey and use strategy to bring that prey into subjection. Discussion of "the wolves" includes any situation that is presented at first as great and then later involves the true motivation surfacing. You realize the person, situation, circumstances, deal, relationship or the environment was not great at all. The adjustment of being around wolves, the consistent disappointment and having to think in survival mode begins to teach you a different way to love. You become very cautious with giving of yourself and loving freely. Once you're in deep enough the wolves expose who they truly are, then it's not so easy to leave. You have a fight; this fight most often makes no sense to others, and some are referred to as stupid and crazy by those whom do not understand one amongst wolves. Being in such unhealthy environments, you automatically learn different manners to survive to make it through the day. When you finally come into a place of being healed, you have to be renewed in your thinking because you've learned in most cases to love improperly and developed wrong thinking, especially of self. LET'S BEGAN THE JOURNEY TO OBTAIN THE FREEDOM YOU DESERVED SO LONG AGO.
