The Little Edges (Wesleyan Poetry Series) Fred Moten

The Little Edges is a collection of poems that extends poet Fred Moten's experiments in what he calls "shaped prose"—a way of arranging prose in rhythmic blocks, or sometimes shards, in the interest of audio-visual patterning. Shaped prose is a form that works the "little edges" of lyric and discourse, and radiates out into the space between them. As occasional pieces, many of the poems in the book are the result of a request or commission to comment upon a work of art, or to memorialize a particular moment or person. In Moten's poems, the matter and energy of a singular event or person are transformed by their entrance into the social space that they, in turn, transform. An online reader's companion is available at <http://fredmoten.site.wesleyan.edu>.
