Michael Rose's Miscellany gathers together fourteen original and contrasted pieces in two progressive volumes to provide a delightful collection of invaluable extra teaching material for young players. The volumes explore a wide variety of moods and styles, and the inclusion of three optional duets in each volume (which may also be played as solo items) will encourage the pupil's ability to listen to other parts through ensemble playing. Each album contains seven pieces, five of which have piano accompaniments. Parts for both E flat and B flat saxophones are included.
