Why do pastors and preachers seem more like witchdoctors than servants?

Why does it feel as though we can never cast off the horrors and futility of this life?

Really...honestly... why, if I'm trapped in the middle of my own struggle, would I ever reach out and help someone else?

How will I ever find peace?

The answers are tenable and do not require a "leap of faith." The answers make complete sense and come with no price tag or caste system. The answers are equally valid for everyone and can be shared anywhere.
