This self-study manual will act as your personal guide through the history of the Israelites' wandering in the Sinai Desert, as described in the books of Numbers and Deuteronomy. These great history books cover the time between Israel's departure from Egypt to their arrival at Canaan. In spite of their repeated grumbling and dissatisfaction, God continued to provide for them, finally bringing them to the Promised Land. You'll find encouragement to trust God's promises as He leads you by faith day by day.

The books in the *Jensen Bible Self-Study Guide* series are designed to provide you with a broader understanding of God's Word. Offering historical context and background, author information, charts, and other helps, these books will equip you with a comprehensive reference tool you'll return to often. Each study includes an opportunity for analysis, response, and further study in a response-oriented format. The thirty-nine books in this series are suitable for both personal and group use.
