“I’m trapped!” This is the cry of women everywhere who feel caught up in the busyness of life, the routine, going to work and school, helping others, supporting their families, volunteering—basically being everything to everyone. In the midst of doing good, we’ve become trapped within our own minds believing the lies that our lives are ordinary and without purpose. We resign ourselves to sitting on the sidelines of life watching others live the extraordinary. Overshadowed by the seeming brilliance of others, our self worth and value seem to vanish into thin air. But Jesus told us all to “Go into all the world and preach the gospel to all creation” (Mark 16:15). He calls us to go, not just watch. He created each one of us for a purpose and on purpose, so we better get going! Based on six core principles, *Becoming* will compel you to rediscover your “Go”—and continue to become who God created you to be while regaining your sense of identity through spiritual truths and application. *Becoming* will empower and equip you to dream, discover, and ignite your own unique purpose. It will help you run your race with endurance and show up well as an ambassador of Christ, fully embracing your purpose as a legacy builder who will leave an imprint on the world for generations to come.
