Stories of personal breakthroughs and transformation show how people with little or no art background can create successful and satisfying artwork with cut-magazine collage. Through the candid and profound profiles of ten collage artists, *Living into Art* outlines a unique process that can be used for inner growth, activating imagination, and living a more psychologically- and spiritually-engaged life. The book makes a powerful case for art as a tool for living, and a satisfying read for both artists and armchair enthusiasts alike. Studio Clips exercises at the end of each chapter invite readers to try their hand at collage using simple and direct instructions.
