Parenting: The Transition and New Circumstance - Journeying Down the Path of the Single Parent

Lucas Simpson

As the single parent, you are the one helping your child/children shape who they are becoming and will be. Their character and characteristics will begin defining itself, both physically and socially. Values, habits and wants change over time as they become more independent. This can both make a parent smile and frown with instant worry. You might be asking yourself if your child (and you) are ready for the challenges of life and the real world outside the family.
