A little advice to bear in mind

When you talk to a croc of a smiling kind.

He's ever so nice, but don't be misled,

He loves to tell stories,

It has to be said.

My, my, crocodile, what big teeth you have! And, where did you come by them? Croc's answers will make you laugh...but don't you believe what he says. After all, who finds teeth in the kitchen sink, grows them in the backyard, or buys them in a garage sale? But, one thing is true: they are just right for him!
