Journalism's Lost Generation: The Un-doing of U.S. Newspaper Newsrooms Scott Reinardy

Journalism's Lost Generation discusses how the changes in the industry not

only indicate a newspaper crisis, but also a crisis of local communities, a loss

of professional skills, and a void in institutional and community knowledge

emanating from newsrooms. Reinardy's thorough and opinionated take on

the transition seen in newspaper newsrooms is coupled with an examination

of the journalism industry today. This text also provides a broad view of the

newspaper journalism being produced today, and those who are attempting

to produce it.
