Love 2.0: Finding Happiness and Health in Moments of Connection Barbara Fredrickson

We all know love matters, but in this groundbreaking book positive emotions expert Barbara Fredrickson shows us how much. Even more than happiness and optimism, love holds the key to improving our mental and physical health as well as lengthening our lives.

Using research from her own lab, Fredrickson redefines love not as a stable behemoth, but as micro-moments of connection between people—even strangers. She demonstrates that our capacity for experiencing love can be measured and strengthened in ways that improve our health and longevity. Finally, she introduces us to informal and formal practices to unlock love in our lives, generate compassion, and even self-soothe.

Rare in its scope and ambitious in its message, *Love 2.0* will reinvent how you look at and experience our most powerful emotion.
