The rise of the goblin king

The goblin chieftain Skarsnik's name is known and feared throughout the Old World. When a greenskin horde threatens the borders of the Empire, the greatest military minds in Altdorf seek assistance from a most unlikely source – the disgraced poet Jeremiah Bickenstadt. Though long since consumed by madness, he claims to have spent a great deal of time in the company of the feared Warlord of the Eight Peaks, and can offer a unique insight into what it is that drives and motivates him. From humble beginnings, a monstrous legend is born.
