So You Wanna Buy A Home...: A 21st Century Guide to a Mid-Evil Process Jeff Maxwell

This is a simple, easy-to-read guide designed for first-time homebuyers (but anyone's welcome to it). This guide is written from the mortgage angle, as this is generally the most complicated and overwhelming aspect of purchasing a home. There is so much information out there, this guide takes the insanity out of financing a home, and puts everything in understandable terms. Revised in late 2013 because of ever-changing lending rules and regulations.
