## **The Ivory Coast (Bradt Travel Guides)** Tom Sykes

This is the only English-language guidebook to focus solely on Ivory Coast, a country of crimson savannas, sublime mountains and cream-hued beaches that is becoming popular for ecotourism and wildlife, surfing and off-the-beaten track travel. Having only recently re-opened for tourism, Ivory Coast is West Africa's hidden treasure. In-depth and comprehensive coverage of everything from chimp-watching and hiking to food and the Ivorian music and dance scene is featured. Packed with vivid descriptions, detailed maps and essential practical advice, this book is invaluable to any visitor, whatever your purpose. Wide-ranging information on food and accommodation is given for each region.

Ivory Coast's nature is as alluring as its culture, whether you want to surf off beaches of Assinie, trek through the savannas of the north or scale Mount Tonkoui for panoramic views of Liberia and Guinea. In the Comoé, Taï and Marahoué national parks, it's possible to glimpse leopards, lions, chimpanzees, aardvarks, antelopes and 500 bird species. The guide includes sections offering advice on hiking and trekking the northern alpine regions and on birdwatching and wildlife-spotting in the various national parks.
