Black Woman Angry No More Che' Deering Harper

This memoir is about me, Ché Harper, and many other young black women falling prey to life's experiences, trials, tribulations, heartbreak, depression, and the mental conditioning of Willie Lynch. We've explored the impact these things left on America before we became wise and could see that, sooner or later, all black women and men fall prey to and experience ABWS (Angry Black Woman Syndrome). However, the key is not how we fall, but how we get back up.
