Camille's Seduction [Menage Amour: Erotic Historical Menage a Quatre Romance, M/F/M/M, bondage, sex toys] Camille Capria is the loveliest girl in London, and three dukes, the Tremont brothers, have decided to have her. Mortimer and Knoll Tremont aren't interested in marriage, but they are interested in having Camille in their bed. The brothers hatch a plan for the oldest, Titus, to marry Camille so all three of them can share her with a veneer of propriety. The problem is they have to talk her into it. The bigger problem is that Camille has a secret. Will desire be enough to keep them all together when the past threatens to destroy the present? ** Oh Baby [Menage and More: Erotic Historical Menage a Quatre Romance, M/F/M/M, with M/F/M/F/M, F/F elements, light BDSM, public exhibition, voyeurism, sex toys] Camille, Titus, Knoll, and Mortimer Tremont have made a lasting menage. Camille is expecting her first child, and excitement reigns in the household as she waits for the brothers to return from a trip. The only problem is that Knoll has found a temptress elsewhere he is not sure he wants to resist, Mia Caldwell. He tells Camille of this, and she gives herself to him body and soul in a hot night in an attempt to get his mind off of Mia. However, when Mia and her mother come to visit, it is clear Mia's intentions are toward marriage. Camille and the Tremont brothers don't trust Mia, and they fight Knoll's noble inclination to save her from poverty, but he gives in and marries her. Mia agrees to join their arrangement, and a night of passion with Knoll, now her husband, ensues. She soon invites the others into her bed, and they find her petite prettiness charming and sensual. Camille's baby is born. Joy fills the house again as harmony is reached and their lust is fulfilled. All is well, but then Mortimer receives a strange visitor who threatens the peace and passion in the household. ** A Siren Erotic Romance
