Island Home: A Landscape Memoir Tim Winton

A beautiful, evocative, and sometimes provocative memoir of Australia's unique landscape, and how that singular place has shaped Tim Winton and his writing. From boyhood, Winton's relationship with the world around him—rock pools, sea caves, scrub, and swamp—has been as vital as any other connection. Camping in hidden inlets, walking in high rocky desert, diving in reefs, bobbing in the sea between surfing sets, Winton has felt the place seep into him, and learned to see landscape as a living process. In *Island Home*, Winton brings this landscape—and its influence on the island nation's identity and art—vividly to life through personal accounts and environmental history. Wise, rhapsodic, exalted—in language as unexpected and wild as the landscape it describes—*Island Home* is a brilliant, moving portrait of Australia from one of its finest writers.
