Food Preparation Study Course: Quantity Preparation and Scientific Principles Shirley A. Gilmore

As before, this new edition will be commissioned by the Iowa Dietetic Association for a book which has been in the ISUP list for some years. The book is a classroom book for courses in quantity preparation of food. Sales are declining on this title most likely because the present edition bears a 1992 copyright date. The new edition will contain new material, and will be presented in a more attractive format.
