Indestructible (Indestructible Trilogy) (Volume 1) Emma L. Adams

Two years ago, the fiends invaded, with a devastating explosion that split the world in two. Even now, energy blasts strike without warning, destroying everything in their paths. The fiends hunt anyone unlucky enough to escape. My name is Leah. An energy blast killed my group. It should have killed me, too. Instead, I woke up alone in the wilderness, stalked by the fiends. Until a latent fighting power awakens in my blood, and I discover I'm more than human. Swept into the world of the Pyros -- flame-conjuring warriors born to kill the fiends -- I learn to unlock the fire buried inside me. But I swiftly learn my allies aren't what they seem. The literal skeletons buried underneath their base are my first clue. The darkness stirring in my blood, showing me memories that don't belong to me, is another. And the man whose memories I see hides dangerous secrets behind his eyes. If I don't uncover the truth about why the world ended the first time, my new safe haven might go up in smoke...
