"I don't care where the money is. Just get it here. You owe it to your friends. You owe it to your *family*," William said.

Franklin kind of thought the two were the same thing, but whatever. The man was trying to make a point.

In an updated and extended *Special Edition*, ***Knock On Wood*** and ***Bad Break*** are together in a single volume.

When William's father died, the only thing he left behind was debt. His uncle Walter has debt of his own. With their friends, they decide to make a change. Unfortunately, they aren't the only ones in town with a plan.
