"Growth Strategies for a Laundromat" focuses on how to seize current trends and innovative opportunities for profitable growth in a specific field. This targeted guidebook shows how profitable growth must be creatively conceived, actively targeted and properly managed. The purpose of this guidebook is to help alter your company's goals and business processes to challenge conventional wisdom, identify emerging trends, develop capabilities to create new products and services, target new market segments, consider innovative distribution channels, and build new business revenue streams adjacent to your present core business competencies. In today's competitive economy, for a Laundromat business to survive, the development of a growth strategy is a necessity, not an option. Includes editable CD.
