Steven Appleby's Encyclopedia of Personal Problems

Steven Appleby

Steven Appleby's Encyclopedia of Personal Problems Steven Appleby

An encyclopedia of embarrassments by Britain's answer to Matt Groening.

Everyone has a personal problem or two-or seven. So don't be shy, take this book and make use of the clever alphabetical filing system to track down your very own unpleasant personal problem! You'll feel relief wash over you as your 'difficulty' pales to insignificance when compared to: possession by the devil, foot-in-mouth disease, husbands, fear of toasters, and much, much more. . .

Copiously illustrated and punishingly funny, Steven Appleby's *Encyclopedia of Personal Problems* is a must have, even for those rare creatures without a personal problem (see "Denial," page 94).
