*The Frugal Gambler* is an up-to-date easy-to-follow roadmap tailored to the unique opportunities created by the cutthroat competition and prolific expansion in the casino world. Author Jean Scott has taken the beatable game of video poker, linked it to new loopholes, and provided a practical plan for turning today's casino system inside out and upside down.

The methods explained in detail in *The Frugal Gambler* aren't as much about winning money long-term in the casino (an extreme challenge) as they are about getting the extras that gambling brings—free rooms, meals, parties, even airfare. That's where the “frugal” part comes in. Almost all of the strategies and techniques Jean Scott shares in this book are within the means of most any casino enthusiast.

And they work! For many years, Jean and Brad Scott have demolished the casinos with weapons of their own making—players clubs, the comp system, funbooks, drawings, promotions, video poker, and anything else that's remotely vulnerable. Many of her exploits have been chronicled on national television, for all the world, including the casinos, to see.

Successful professional gamblers describe the techniques they use to beat the casinos as “advantage play.” Until the publication of *The Frugal Gambler*, the term had meaning to a select few within a close-knit fraternity. With her groundbreaking bestseller, Jean Scott has brought advantage play to the masses.
