Hammer of the Gods

Friedrich Nietzsche

Hammer of the Gods Friedrich Nietzsche

"Madness is something rare in individuals - but in groups, parties, peoples, ages it is the rule." *Hammer of the Gods* presents Friedrich Nietzsche's most prophetic, futuristic and apocalyptic philosophies and traces them against the upheavals of the last century and the current millennial panic. This radical re-interpretation reveals Nietzsche as the only guide to the madness in our society which he himself prophesied a century ago; Nietzsche as a philosopher against society, against both the state and the herd; Nietzsche as philosopher with a hammer. Comiled, translated and edited by Stephen Metcalf.
